

BRAND PROTECT™ E-COMMERCE FILM

Crayex Brand Protect E-Commerce Film sets the standard for precision polyethylene products for retailers, couriers, and e-commerce businesses. Our sustainable poly mailers are highly customizable to meet your custom packaging needs.

FEATURES

- Superior seal strength, quick-seal initiation, wider seal range
- Narrow 5-inch webs to broader 126-inch webs
- Gauge thickness ranges from .001” to .010”
- Automatic gauge controls for precision, efficiency
- Large O.D. rolls, available up to 40” O.D.
- Variety of core sizes, including 3”, 4”, 5”, and 6” options
- One or two-sided treat capabilities of up to 52 dynes
- Certified with ISO 9001 and SQF

ADVANTAGES

Our converter-grade rolls are flat films with tight winds, designed to help our retail and e-commerce customers optimize gauge, improve yield, reduce downtime, and enhance overall throughput, ultimately leading to cost reduction. We custom-formulate our products to meet your specific requirements, supported by comprehensive Certificate of Compliance documentation.
